HOW TO CALL A PARTY ON YOUR OWN LINE: You may identify another subscriber as being on your line if the first two digits of his number are the same as the first two digits of your number. To call a party on your line, dial his number in the usual manner. You will get a busy signal, since you are dialing on your own line so then push the hook down, but keep your receiver to your ear. Then, either your bells will ring, or you wll hear a faint ringing sound on your line, which shows that the number you called is ringing. When this sound stops, the other party has answered, so lift your hook and talk.

NOTICE—In calling Broadway numbers—always call Broadway before giving your number.

NOT A PENALTY—The Heins Telephone Company gives its patrons a discount of 25c on each telephone bill, up to and including the tenth of the month. This is not a PENALTY, but a very liberal DISCOUNT, given you for paying promptly. It is not the object of the company to make its subscribers angry by not allowing this discount after the tenth, when they have delayed paying their bills for some reason until after the tenth and then expect this discount to be taken off. However, if your check is mailed on the tenth and the postmark on your envelope shows the tenth, then we will allow your discount. But if your envelope is postmarked the eleventh or after, we cannot allow you this discount even though you may have made out your check on the tenth. So please do not ask us to allow this discount any time after the tenth, as we must treat all our subscribers just the same way, and this is a gift to you for paying early, and not a penalty for late payment.

Yours for efficient service, HEINS TELEPHONE CO.
